NOTES.

1. There is no difference in arrangement between the present and the 5th revision.
2. A few changes, which have taken place between the printing of the index and this volume respectively, are indicated in italicized footnotes. The index should be corrected accordingly.
3. As in the previous revision, marginal headings and guide-lines have been added, so that the margin may be "stepped" for facility of reference.
4. All corrections and additions should be sent, through the usual channel, to the D.M.I., War Office.
